## LEININGER CENTER and OKAYAMA ROOM

Leininger Center provides a central location for making group picnic or wedding site reservations for San José's regional parks (Kelley, Lake Cunningham, Almaden Lake, and Alum Rock parks), Family Camp reservations, applications for special events and information on other Park programs. Wedding sites are available at Kelley Park, Overfelt Gardens and the Rose Garden.

The Okayama Room and patio at Leininger Center is a lovely place to hold a wedding reception or business meetings for up to 175 people. For reservation information call **(408) 794-7275**.

## THE AMPHITHEATER

A Greek-style amphitheater, located behind Leininger Center, can be reserved by groups for wedding ceremonies and other similar events. It can accommodate approximately 200 people.

Musical and theatrical groups have been among those to use the amphitheater; however, no amplified sound is allowed. The Amphitheater is only available with an Okayama Room reservation from Memorial Day weekend through Labor Day weekend.

## PARK RANGER SERVICES

Park rangers will assist you in enjoying an educational and safe park visit. Services offered by the ranger staff include: first aid, fire suppression, and conservation.

*To request an accommodation for an alternative format for printed materials, please call (408) 277-5254 or (408) 294-9337 (TTY).*

## PARK RULES

While visiting Kelley Park, please help protect our valuable park resources and wildlife. Assure an enjoyable visit for you and all of the park's visitors by complying with these rules and any posted regulations.

## SAN JOSE REGIONAL PARKS

## WELCOME

**Welcome to Kelley Park.** Enjoy a picnic or barbecue, shaded by beautiful mature trees growing amid our expansive lawn areas. Walk through the tranquil Japanese Friendship Garden with its lovely ponds. (New koi fish will be introduced in Spring 2011.) And step back in time to historic 1800s San José with a visit to History Park.

The property on which Kelley Park is built comprises 172 acres. It once belonged to Mrs. Louise Kelley who inherited the land from her father, Judge Lawrence Archer, former Mayor of San José. The Judge maintained a beautiful 600-acre estate which was covered by prune, apricot, cherry and walnut orchards, as well as some exotic trees. Mrs. Kelley referred to the estate as AR-KEL VILLA in honor of her father and her husband, Frank J. Kelley.

## PARK FEATURES

**Happy Hollow Park & Zoo** offers a unique combination of fun and adventure for the entire family. The zoo features more than 150 animals, many of which are rare and endangered species.

The lemurs, capybaras and a jaguar are just a few of the unusual animals you may see as you stroll through the zoo. There is a walk-through aviary and an animal contact area which offers children and adults an up-close encounter with both the exotic and domestic animals.

The Park includes a variety of play areas, amusement rides for children and outstanding puppet theater presented several times a day. Special birthday areas, with advance reservations required, are available for a small fee.

The Park is an ideal place for school field trips as well as for large family outings. Group rates are available by advance reservation. Open every day weather permitting except Christmas Day. For Happy Hollow hours, reservation and admission information visit **hhpz.org** or call **(408) 794-6400**.

San José's **Japanese Friendship Garden** is a beautiful, living symbol of the "Sister City" relationship between Okayama, Japan and San José, California. The garden, dedicated in October 1965, was patterned after Okayama's world famous Korakuen Park.

The traditional Japanese garden was molded by three major forces: religion, a love for nature, and a heavy use of symbolism. These three forces blend together to create a beautiful, culturally enlightening area.

While visiting the Japanese Friendship Garden, take some time to feed the exotic koi fish. Two feeding stations are available and you may purchase food for a small fee.

Koi are an ornamental variety of the common carp, *Cyprinus carpio*, bred especially to reveal their distinctive color characteristics. Originally bred as a food source, it was in Japan during the Hei-an period, 794-1184, that the first selective breeding for color occurred.

In 1966 Okayama, Japan sent a gift of koi to San José that were released into the three ponds inside the Garden.

**History Park** is located at the southernmost section of Kelley Park. Original and reconstructed replicas of landmark buildings bring to life the look and feel of San José in the 1800's through the 1920's. The village, complete with neighborhoods, paved streets, and working trolleys, transports visitors to another time and place.

Visitors can discover what daily life was like in the Santa Clara Valley in the late 1800's through interpreted tours. The museum includes a gallery of changing exhibitions focusing on the people and cultures of the Santa Clara Valley from pre-statehood to the present.

Among the 28 restored and replicated structures is the Pacific Hotel, which features a gift shop, ice cream and candy store, and museum administrative offices. Visitors are welcome to stroll through some of the buildings at their own pace on the weekends when buildings are open and staffed with trained interpreters. During special events and on weekends, many of the exhibits offer hands-on demonstrations.

For additional information on hours, reservations, school programs, and group use call **(408) 287-2290**.

**Picnic Tables** with small barbecue pits are located in shaded areas throughout Kelley Park. Six picnic sites (Redwood Grove, Arbor, Manual Briar, Maple Leaf, Family Circle and the new Archer Grove) that can accommodate from 30 to 200 people are available by reservation.

Redwood Grove, Arbor, Manual Briar areas each have preparation tables. Family Circle has an extra large barbecue pit and a large catering preparation table. The new Archer Grove is close to the main parking lot. All picnic areas are within walking distance from a parking lot. See map for restroom locations.

Rangers may escort vehicles in to unload supplies **only if time permits**. Otherwise vehicles are not allowed, are subject to citation and may be towed at owner's expense. These rules are strictly enforced.

For reservation requirements, information and group parking passes call **(408) 794-7275**. All other picnic areas are available on a first come, first served basis.
